

# Christian Kaiser

## I WOULD DESCRIBE MY BACKGROUND AS...

very solid. With 30 years of experience in various sectors, company sizes and positions I am primed with universal economic knowledge and have humanly matured.

I can show more than 18 years of experience as managing director in handicraft enterprises, industrial establishments trading companies; during my time as head of international marketing and sales in the segments of mechanical engineering, sports equipment and timber industries I discovered different cultures, company philosophies and all the highs and lows of life as a manager.

## OTHERS SAY ABOUT ME ...

that I am good at listening.

that I radiate calm.

that I bring topics to the point and can bring about solutions by consensus.

that I have a good dry sense of humour

that I am 100% reliable, that I am a sportsman

that I consequently look for

personal advancement.

that I focus when working and stick to the issue at hand.

that I can also enjoy life.

**I ...**

was born in the Innviertel and am pleased that after studying in Vienna I was able to make this area my centre of vital interest.

Together with my wife who is a qualified teacher for Vocational Education and Training Colleges and works at the city's after-school centre, we are blessed to be able to accompany three sons and one daughter on their way into life. With my large circle of friends I share the passion for a mindful life, nature, sports and the beautiful things in life; within the realm of my possibilities I am active in the social, ecological and cultural sector.

## I HAVE LEARNT A LOT ...

as Sales Manager at the sports equipment company SALOMON in Salzburg, As Managing Director of the carpentry and flooring company FOX HOLZ and of ORTIG Dach & Wand.

as Division Manager International Marketing & Sales at the floor manufacturer "tilo".

at the Sport-Eybl subsidiary "Sportversand Skyrex" in Edt/Lambach. since 2012 as "passionate enterprise developer" with companies like ENERGIE AG, FH OÖ, Team 7, Schachinger Logistik, ESIM Chemicals etc.
