## I WOULD DESCRIBE MY BACKGROUND AS ...

very diverse: Technician – Sales person – International project manager – Personnel development manager – HR-Manager – Coach, Trainer, Seminar host; co-worker – executive – experience in administrative department – Project manager – CEO.  
internationally shaped, learnt hands-on and on-the-job and supplemented by the respectively appropriate in-depth knowledge.

## I ...

was born in 1971, have three children – Nora (2005), Romy (2007) and Rafael (2009) – and my partner works in a similar field to what I am doing.  
might say that I have accumulated a fair bit of knowledge and experience and, after years of peregrination, have finally found my vocation.

## I HAVE LEARNED A LOT ...

at Ebner Industrieofenbau: Mechanical engineer, Team leader, Coordinator for USA-production, CIP-project.  
at voestalpine Gießerei GmbH: International Key-Account-Manager Asian markets, Introduction CIP-process.  
at voestalpine AG: International project management, acquisition of the first manufacturing subsidiary of voestalpine AG in Russia.  
at BRAU-UNION Österreich AG, Heineken Group: Head of personnel and organisation development, HR-manager.

## OTHERS SAY ABOUT ME ...

that I usually give them a great little something more than what they were expecting.  
that I accomplish a lot in a short period of time.  
that they appreciate my input but at the same time are not dependent on me.  
that I am targeting my work towards usefulness for the customer and practicability.  
that I am generous when it comes to sharing my knowledge.

## OTHER THINGS YOU SHOULD KNOW ABOUT ME ARE ...

that I am passionate about soccer (actively and as a spectator) and that I managed despite lacking in talent to become the president of a small soccer-club.  
that I play the guitar (almost) every day trying to realise my dream to one day play in a cool band.  
that I quite contentedly look upon my life, my family, friends and career.
